General Report Comments: The entire property is enclosed with steel fence of 1.5m height. The front gate is a metal gate reinforced with mesh. The plot is huge and neat. The swimming pool area is enclosed with brick walls and the courtyard attached to the back of the house is also enclosed with brick walls. The dog bed is found underneath the patio area with blankets; however, the dog drags the blankets all around. The dog sleeps in the courtyard area at night as she does not want to sleep inside.
