CHECKLISTS

General Report Comments: After hooting several times at the front garage it appeared that no one was home.

I realised I had been at the property before and that the complaint always leads to nothing as the back of the property where the dogs are kept has walls reinforced with fences to about 2.5m height. The complaints are usually out of fear of the breed of dog.

A Notice to Comply instructing the owner to contact the Springs SPCA within 24 hours was left on the garage door.
