General Report Comments: Upon arrival a man named Shane met me at the gate and gave the impression he was expecting SPCA to come fetch the dogs. Shane explained that his brother-in-law lost his job and now he is taking care of the kids and the dogs but they cannot afford to keep taking care of the dogs ; therefore, they wish to surrender the dogs. Both dogs were emaciated and had fly strike on the ears. Although they were malnourished, there was food present within the house.
