CHECKLISTS

General Report Comments: Animals Reached:

Dogs: 58
Cats: 1
Assistance Provided:

Tick and flea control
Deworming for internal parasite treatment
Distribution of appropriate collars and restraining methods to replace chains, wire, and pipes
Education & Community Engagement:

Conducted much-needed education on responsible pet ownership
Discussed the importance of sterilization, which was well received by pet owners
Next Steps:

We will return next week to cover a new section of the area
We are actively contacting owners of female dogs and anticipate a strong response for sterilization efforts
The outreach successfully improved the welfare of the animals and strengthened community awareness.
