ZuZu – Female Jack Russell, intact, white and tan in colour.

Condition of Animals:

Both dogs appeared to be in fairly good condition, though slightly underweight.

They are currently fed Bobtail dog food and have access to outdoor shelter under the afdak (canopy).

Both animals were noted to be happy, friendly, and interacted well with the owner.

Discussion and Recommendations:

The importance of regular deworming was discussed with the owner.

The owner was also advised to consider sterilisation for both dogs to prevent unwanted litters and promote better health.

A follow-up inspection will be conducted in one month to monitor their body condition and ensure there is improvement.
