Comments:	Hugh called Mrs Govender to let her know we are there even though she was not. She then called two workers at the property to come to assist us with the two traps. We explained to these two workers in detail how the traps work and let them set it themselves. They said they will set it and let us know when cats are caught. Mrs Govender also mentioned to Hugh that she will bring the cats in themselves.
Captured By:	To see whether cats were caught by Friday and pick the traps up if not . INSPECTOR ONE 2024-12-30 11:00
