General Report Comments: Hugh and I, Elani arrived at the property and saw a car parked outside CN12033. A man was home busy cleaning and we introduced ourselves to him and he asked whether we want to see his animals as somebody called. He then got hostile and kept on asking who called. I told him according to the POPIA act and our rules I cannot give the details to him. He then asked for the details again and said What am I going to do about it. I told him that I can get a court order. He then said I should do that and I said okay.

We left the property. To get court order for access to property.
