Comments:	Hugan and I, Elani, went to Freesia Road, saw the duiker jump into multiple fences, ijuring itself, but it ran away. Later we received another call from 6E Bo-Burg Road. We went there and found the duiker on the side of the house. Hugan jumped out and closed the gate to trap the bokkie inside. By this point it jump through a second gate and got stuck. Hugh and Dirkie came to assist and we managed to free the bokkie safely from the gate. There was blood everywhere. We took it to WAGh to have the bokkie humanely euthanized aqnd Dorette assisted us. We found that the bokkie also had a snare around its neck and multiple injuries all over its body. We took the bokkie back to the SPCA for cremation. NFA
