| Type:           | CAT TRAP                                                                                                                                                                                                                                                                                                                                              |
| Follow-Up Date: | 2024-10-10                                                                                                                                                                                                                                                                                                                                            |
| Comments:       | <p>We arrived at the property. The mom cat and her five kittens were still in the pot plant. We tried to catch her again but she is too scared.</p> <p>We then set up the cat trap and showed the owners how to do it as well incase the wrong cat goes inside or it doesnt work.</p> <p>To follow up tomorrow to see whether a cat was trapped .</p> |
