Date:	2024-10-30
Time:	08:40
Inspector:	INSPECTOR ONE
Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2024-10-31
Comments:	I called Gundula and spoke to her with regards to a kennel and her property that has gates to close. She also said there is a wooden kennel on the side of the house. I asked her to send photos to the SPCA phone so that I can see the kennel on the side of the house . She agreed to sedn them by tomorrow.
