Comments:	Qadirah called in response to the warning left. She said they know that Thunder is on his way out and suspect its cancer . She is willing to surrender him for euthanasia and discuss it with her family. She and her husband is off next Wednesday on the 11th of December 2024. She will let us know what time we can pick Thunder up for euthanasia . I did inform her that it will be R350 and when I pick him up, I can do a welfare check on the other dogs. She suspects her neighbour is the complainant. To follow up on Wednesday
