Comments:	Good day, A complaint was launched yesterday 29/08/24 at your office in connection to the biting of a smaller dog . It is at the address of Mrs Y. Otto, 47 Stokeryrd Wellington. Your inspector informed me that there are no visible wounds , therefore the dog cannot be removed. Her finding is unacceptable!!!! I know that in many cases when a person is abused, the abuser leaves marks on the body of the victim where it is not noticeable. If someone realize what's going on, isn't it then our responsibility to get help? It is very difficult to listen to the poor puppy's cries. The owner doesn't care, otherwise she would have taken precautions! I hope to hear from you soon! Regards, Mrs A. Theron
