General Report Comments: Hugh and I, arrived and was met by the owners daughter. We saw that nothing has been done to improve Kelly's living conditions.
She was still on a static chain with no water and broken kennel and emaciated.

Whitney then told us that her parents said they want to surrender the Kelly. Whitney was over eighteen and also told us that Kelly hasn't been eating lately.

Whitney signed Kelly over. Three other dogs were also signed over to us last time by a neighbour.

No Contraventions in terms of the Animals Protection Act no 71 of 1962 were found.
