General Report Comments: Hugh and I Elani arrived at the property and met with the Mr Duvenhage. He showed us that they moved the chicken shelter to the far left of the property and is still planning yo add a floor at the bottom.

We went to the coop and we could see new bedding and that it has recently been cleaned . The roof was reinforced as well and the door was left open so that the chickens can roam freely in the entire yard.

They are still busy with their Law Enforcement permit.

Case can be closed on our side.
