General Report Comments: Hugh and I, Elani arrived at the property and met with Felicia and her husband who were outside. We introduced ourselves and explained why we were there. Felicia explained that the dog in question that was lame died.

They then mentioned they want to surrender the two puppies. They also hesitated to keep Bella and Vlekkie. We then educated them about our mobile clinic and what the sterilization procedure is beneficial for. We gave them a pamphlet with all of this information.

The dogs here had shelter, space, food and water. Felicia signed the two puppies over to us.

No welfare concerns under the Animals Protection Act 71 of 1962 were found.

The case can be closed.
