General Report Comments: I, Hugh arrived at the property and saw one of the tenants. I then greeted him and introduced myself as well as explained to him why I was there.

I then saw Leila and saw that she was still underweight but also noticed the puppies still drinking. The tenant then mentioned and told me that she will probably not gain weight while the pups are still drinking and I agreed.

I then asked them to show me the food that they feed her and they showed me that they have a bobtail puppy. I was then pleased and I asked them if they still feed 2 times a day which they agreed to.

I then mentioned that we will come in 3 weeks and check whether she has gained any weight.

To follow up on 2 October 24.
