General Report Comments: I, Elani arrived at the property and met eith the grandmother at the door. Danielle was not home yet. Sparta was at the front door when I arrived. I could see he is very old but in good condition for his age.
I went inside assisted by the old lady and she showed me the food bowls and food given to Sparta. As we walked through the large double storied house, the husband also came downstairs to assist in the home check. I went to the backyard and saw that they had an enclose pool.
I educated them about keeping the cat inside for the first month and they agreed.
Someoene is always home. Danielle is a stay at home mom, they have a maid and the grandma comes regularly.
They use Vetscape and are willing to buy new scratchposts. They aslo have an indoor cat litter tray.
Home check passed.
