General Report Comments: Hugh and I Elani arrived at the property and were introduced to Abel.

This is a corner house with a massive yard surrounding the house with no pool. There is a border collie in good condition on the yard. The man and wife are always home with the kids that are homeschooled. This is good as they can monitor the introduction of both dogs. The dogs have a massive kennel outside they can sleep in with the addition of the garage.

The applicants use WAHG as a veterinarian.

It is a lovely large house.

The home check was approved. The applicants decided to adopt Bear.

To do post home check in a year's time.
