General Report Comments: Hugh, Jacques and I, Elani arrived at the property and introduced ourselves to Shirlene. She explained that Lara has bitten people 6 times already and that she wants to surrender her and the three remaining puppies.

We noticed the dog she wants to keep called Milo is not walking on his left hind leg at all . We explained that she either needs to take him to the veterinarian of the mobile clinic. She mentioned that she is working tomorrow and unabke to take Milo to the mobile clinic. She also does not have any family members that can assist her.

I then called Liz to ask whether we can admit Milo for Dr Gouws yo look at yhe gollowing day and she agreed. I also reiterated to the owner that she needs to keep money aside for this as we usually charge R200 for consultation.

Shirlene surrendered Lara and the pups and gave Milo gor treatment.

To return Milo tomorrow if he is ready to go home and let the owner donate some money for this .
