General Report Comments: I arrived at the property and met with Riaan who was at home. He is a Correctional Services Officer who works with Narcotic dogs. One of his dogs Heike is his retired sniffer dog. He has 3 dogs, 2 cats, fish and 2 birds. The dogs have free roam of the yard and a few areas of enclosed shelter. There was water available for the animals all over the yard. The cats are kept inside the house and the birds on the stoep. He mentioned that he uses Dr Beneker as a veterinarian that works with all the government owned animals. I educated him about what to feed the birds and how to care for them. I asked why he wants Tessa and he said that honestly she will be used as his narcotics as his dog. She will stay in the kennels during the week and stay with him on weekends. I told him that the home inspection is denied and explained to him why. He eventually understood.
