General Report Comments: Hugh and I, Elani arrived at the house and met with Megan staying in the backyard with her husband and kids. The house belongs to her mom.

We educated her on how to introduce the cat to a new environment especially that there is another cat. She still needs to buy things for the cat and can pick the cat tomorrow. They have two kids. Megan and her husband works from home and and her mother is retired at home.

The mother stays in the main house.

They will use WAHG as a veterinarian.

Home check passed. To do post home next year.
