General Report Comments: Hugh and I, Elani arrived at 15B Hoog street. We looked at the house next door and saw a free roaming dog in the yard. At 15B when we looked over the wall, we observed a white and brown pitbull on a static chain by its kennel. He had two bowls and tipped both indicating there was no water available to him on the static chain. We looked over the wall on the other side (right side) of the property and observed another kennel in the back yard and could not confirm whether there was a dog or not. We also observed a roll of thick wire they already possess against the back wall by the pitbull.

We called out for attention but nobody came out of the property .

I then issued a warning and left it on the gate to:

- 1) Contact the SPCA to set up a time to meet within 24 hours.
- 2) Provide your Black and white pitbull with a running chain within 7 days.
- 3) Ensure the dog always has access to water.

I left the warning on the gate. To follow up whether they contacted us by Monday .
