General Report Comments: Hugh and I, Elani took Leila to the property to meet with the owners dog named Vrolik to see whether they get along.

We met with both owners at the property. It is a massive property with an envlosed pool.

We did a meet and greet and Leila and Vrolik immediately got along . The yard was adequately fenced. Leila is allowed inside and they have an envlosed outside stoep where they could lie.

The owners use Boulevard Vet and neutered Vrolik yesterday . They are retired and their son lives in Franschhoek if anything happens to them.

They proveded us with all the necessary paperwork. Home check was approved.

To fo post home check in a year .
