General Report Comments:

Hugh and I, Elani arrived at the property and met with Mr Atkins.
They already have two dogs that are quite overweight. The yard is large and the pool is covered.
The dogs have an enclosed braai room to sleep in with a massive doggy door and two beds inside the living room as well. We educated the owner regarding the feeding of the dogs and the introduction of a kitten.

Mr Atkins works from home and is able to monitor the kitten . They use WAHG as a veterinarian.

Home check passed.
