General Report Comments: Elani and I,Hugh arrived at the farm and went to Magrieta Kruger.When we arrived at her house we noticed them drinking in the kitchen.She then came outside,we greeted her and we asked her whether she bought the dog food.

She then said she has got the food and brought a bag outside with dog pallets in. We were then pleased and we gave all her dogs deworming.

We then made our way to Leah Martin and we called outside her house.We heard someone call from the distance and say no one is home.We then saw Lawrence come from the corner and I told him that I spoke to his grandmother on Friday about dog food.He mentioned that they had gotten the food and he then went to get it and he showed us they got Bobtail puppy. We were then pleased and waved him goodbye and said thank you. We didn't deworm as we already have dewormed the dogs.

While walking from the farm a lady approached us and asked about the deworming. We then decided to deworm her dog and another lady came. We then dewormed her dog aswell.

To follow up in three weeks to see whether Magrietas dog gained weight.
