General Report Comments: Hugh and I Elani arrived at the property and found nobody home. I could see that they got a new collar for Stacey.

Apparently they were in town today possibly to buy running chain equipment but I did leave a second warning for STACEYS skin condition to:

- 1) Provide Stacey with veterinary treatment within 48 hours as she appears to have a skin condition OR you can purchase Nexguard/ Bravecto to aid with her skin. Keep the packaging and receipts as proof for the SPCA.
- 2) Contact Inspector E Graham on 021 864 3726 so that we can have your contact details.
- 3) you also have the option to surrender Stacey to the SPCA.
