General Report Comments: I,Hugh arrived at the property and was greeted by the little children in the road.I then greeted them and asked them whether Truda was home.They mentioned that she was at work and they allowed me access.

When I entered the property I could see the efforts that they had made and this made me pleased .I then mentioned that they should tell Truda that I appreciate the work she put in .They built a runner aswell as lifted the floor for bullet so he could have a nice dry place.The environment was also clean and there was fresh drinking water.
