General Report Comments: Hugh and I Elani arrived at Dirkies house and met with his wife and child.

In the front they have tenants that own a puppy.

Dirkie and his family members own a dog and two cats. There was a small kennel outside in which his cats slept. Tiger was inside his house, has a dog bed and he has food for his cats and dog.

His one cat (Kitty cat) and his dog(Tiger) is not sterilized and needs vaccinations and dewormers. Discussed this with Liz and she booked Dirkies sterilization for his dog for the 9th of October 2024.

To vaccinate, deworm and microchip his animals today or tomorrow.
