General Report Comments: Hugh and I, Elani arrived at the property and met with Enzeos mom Nudine.

Bubbles was free roaming in the property but had matted fur and no access to potable drinking water.

Rugal was kept in an enclosure in the backyard with a kennel and water. He is kept there when there are visitors as he is unpredictable. The grass in this enclosure can be cut and the area can be cleaned.

I issued a warning to:

Bubbles did not have access to water at the time of inspection and she has matted fur.

- 1) Ensure to provide potable water for all dogs at all times.
- 2) Ensure to groom Bubbles within 7 days.
- 3) Ensure to clean Rugals enclosure from hazardous material within 7 days.

I also sent Enzeo home with a kennel, vaccinations, Rabies, dewormer and microchips.

To follow up within 7 days.
