CHECKLISTS

General Report Comments: Hugh and I, Elani arrived at the property to see whther the owners are home one last timebefore applying for a court order.

Elani knocked on the door and called out for someone. Nobody opened up. She got back into th car getting ready to drive away again, when Debbie opened up the front door.

When Elani asked whether she could see whthrthey complied with the warning and whther Debbie got the SMS, Debbie got extremely hostile and loud. She said her husband works and we cannot expect her to lay a runner herself. She said she is getting fed up with us coming. Elani tried to speak to her but she did not give her a chance. Realizing we wont get access or see the dog, we decided that it is better to apply for a court order.

To obtain court order tomorrow
