General Report Comments: Hugh and I, Elani saw a dog running in the road that had an injured right back leg. We found out where the dog stays and called the owner Katrina to ask what happened . They said that the dog was bitten by another dog last week. I then explained to her that she needs to take the dog to the veterinarian or surrender it over to the SPCA. She also has two other dogs of which one has matted fur.

I then issued a warning to:

- 1) Brownie has an injured. Right hind leg and needsto be seen by a veterinarian within 24 hours.
- 2) Ensure to groom Oortjies from its matted fur within 7 days.

To see tomorrow whether they have taken Brownie to the veterinarian .
