General Report Comments: Elani and I,Hugh arrived at the property and was greeted by Jackie Pietersen. We then introduced ourselves and she started explaining her situation.

She had mentioned that the mom runs outside and the pups would follow her.Until one day a lady saw the dogs running outside and she approached Jackie Pietersen and offered to pay her for the puppies who are only above a month old.She also offered to buy the youngest child diapers and she mentioned the lady was very convincing.Eventually the lady persuaded her into giving the puppies to her because she started feeling offended.

We could then see that her dogs breast's were inflamed as a result from the puppies being removed.She then showed us where the pups and the mom gets out aswell as the broken running chain that she has for the mother dog.

We then explained to her that she can surrender the puppies to us in two weeks .As she mentioned the lady who took them will bring them back.

To follow up in two weeks in order to collect puppies and discuss sterilization .
