General Report Comments: Elani and I,Hugh arrived at the property and saw little children playing in the outside. We then greeted them and asked them if there were any grown ups.They then went inside and called their aunt.Who then came forward.

We then greeted her and she allowed us access .At first we could see Mason in the front on a adequate length static chain.We then explained to Edwina who then quickly denied that it was her animals.We then explained to her that Mason should be put on a runner aswell as have a adequate collar around his neck.She then said she will speak with the owner.

Warning 104 was then issued to Jermaine Cloete to:
-Provide Mason with an adequate collar/piping around chain within 7 days.
-Provide Mason with a running chain within 7 days.

Which was given to Edwina.

We then walked to the back and saw Tessa locked in a kennel as she has puppies .Edwina mentioned that the owner is scared that the puppies will get stolen and this is why he locks them up.We could see that the kennel was a bit dirty .

Warning 105 was then issued to Nigel Jefta to:
-Maak seker om Tessa se leefspasie skoon te maak van rommel/skep voorwerpe binne 72 uur.
-Maak seker dat Tessa vry kan beweeg in die agter jaard .Maak die hek oop en sonder die area uit met borde/pallets binne 7dae.

To follow up in 7 days.
