General Report Comments: Elani and I,Hugh arrived at the property and could see that no changes had been made to Mason's static chain and collar.I could then see children playing in the outside and I asked to speak to a grown up.

They then went and called the owners uncle Mcdonald Cloete who then mentioned that he knows why we are there.I then mentioned that Mason needs to be on a runner and he said that the owner has his own will.I then asked when he is home in order for me to speak to him.He then sent some children in search of him.

They then returned 5 minutes later and they could not find him.I then told Mcdonald that I am going to write another warning with less time as we had given him more than enough time.

He then agreed to take the warning and give it to him.

Warning 059 was then issued to:

- 1.Ensure to provide Mason with a running chain within 5 days.
- 2.Ensure to provide Mason with a adequate collar within 5 days.

To follow up on Friday.
