General Report Comments: I, Elani arrived at the property and saw that the yard was still filled with rubble and the car was there.. I knocked on the door and the car was there.
Ashleigh came out and I asked him whether Tanswil has bought puppy food and whether there is water. He didnt want to let me inside and told me Tanswil is sleeping because he worked night shift .
He said only Tanswil knows where the food is. He said he will send me a picture of this.
I then also explained that he can close the gaps in his gate with shadecloth and cable ties and he agreed.
I then issued him with a warning to:
1) Provide Tyson with adequate puppy food within 48 hours.
2) Ensure to enclose the gate to prevent escape as discussed within 48 hours.
3) Clean the property from hazardous material within 48 hours.
As I stood there the puppy could go into the road through the gate and found a bone in the yard.

To follow up monday as Ashleigh said he will be able to fix wverything over the weekend .
