General Report Comments: Luciano and i,Hugh arrived at the property. We were then given access by Lica and she greeted us .

We then went inside and we saw her mother on the inside aswell .We also saw that the apartment was the right size for wollie as she already had an small dog living there.

She also mentioned that she will be moving to a larger home soon.I then explained to her that she would have to mention it to us for the microchip details.

Homecheck approved.To follow up in a year.
