General Report Comments: Elani and i,Hugh arrived at the property.We called from the outside and Jevandre came outside to greet us.We walked to the back and saw nothing has been cleaned .

We asked why he had not cleaned it yet and his response was that he did not get someone to clean it yet.Elani told him that it is not such a difficult situation to fix and he became very hostile .

We educated him again on responsible ownership and he replied it was his fathers dog .I asked what his fathers number was so we could contact him which he was not willing to let us do.He mentioned he would have everything cleaned by friday.

To follow up on friday.
