CHECKLISTS

General Report Comments: Hugh and I, Elani arrived at the property that is quite deep in and isolated on Oaklands farm away from other residents.

It is a huge home with see through windows and a yard and stream next to a mountain. The yard is somewhat enclosed with horse fencing which through Kelly would be able to run.
The owners was not at home upon our visit but we could see inside the house due to an open plan and windows. This house is on a farmland with free roaming horses and cattle and the only danger might be wildlife attacking Kelly.
As I understand according to the application, Kelly will be sleeping inside due to safety from wildlife. Lovely home.

Pre home check approved.
