General Report Comments: Elani and i,Hugh arrived at the area.We then went to September Lewis's residence.

September was in the property when we arrived and we greeted him from the gate. We could then see that his puppy was doing much better and he had a large bowl of water.The owner complied with the warning.

31 Bamboesberg street.

We arrived at Johnnys home to see how stacey was doing .We saw that stacey was underweight and we had educated him on feeding but decided we need to put it in writing. We saw that the puppies had some ticks and we educated him on powdering his puppies.He then brought us the powder which he uses and it was adequate.

Elani then issued warning 199 to:

-Provide Stacey with adequate food twice a day.Preferably puppy food.Do not feed patato peels,bones and pap.

We then explained that we would be back on the 14th November.

To follow up on the 14th.
