General Report Comments: I, Elani arrivex at the property and saw three cars parked in the yard with registration numbers CJ73886, CJ41790. I called out and banged on the metal door but nobody came out to respond. The two Boerboel dogs came to this side and barked at me. The male Boerboel seemed more underweight than the female but not emaciated.

I then left a contact notice on the metal door to contact the SPCA within 24 hours to set up a time to meet about your dogs.

To see whether the owner responds by Monday.
