General Report Comments: Anike and I,Hugh arrived at the property with May in order to inspect the home.I then was greeted by Mark's wife Karin who then gave me access to the property.

I then did a walk through and noticed that it's actually a very big yard.They also do have a camp in the back but it's always open to let their dog feel safe if he needs to go in there.

Overall it's a nice environment and also the meet and greet went well.

Homecheck approved.
