ADOPTION CONTRACT – FARM ANIMALS

Farm Animals includes: Cattle, Goats, Sheep, Pigs and Poultry

Species POULTRY	Colour	Male/Female	ADMISSION NO:
Microchip and or ID Tag Number:-			

This animal has been given to you in the firm understanding and confident belief that it will receive a good home with responsible and loving care. Ownership of an animal yields much pleasure and satisfaction. It also has obligations and responsibilities. The fact that the animal has been in our care usually indicates that someone has, in the past, failed to recognise these responsibilities.

I do hereby confirm and undertake that:

1. I am over eighteen (18) years of age.
2. All family members agree to the adoption and will abide by the conditions in the contract.
3. I will give the animal a fair chance to adjust to its new home.
4. If I am unable to continue to care for the animal or it does not adjust adequately, the animal must be returned to the SPCA.
5. I understand that adoption fees are not refundable or transferable.
6. I will feed and house the animal to the Society's satisfaction.
7. I will not tether or house the animal inappropriately and understand that if it is found tethered, housed inappropriately, or living in unsatisfactory conditions or in ill health, I willingly agree that it will be repossessed permanently from my care immediately. **Initial:**
8. I can afford the services of a private Veterinarian.
9. I will ensure that the animal will receive its vaccinations and de-worming timeously. Hoof/Teeth care will be provided by a farrier/dentist timeously to ensure that hooves/teeth are well maintained to prevent suffering.
10. I understand that in the case of illness (not injury) occurring within the first seven (7) days of adoption, I may bring the animal to the Society to be attended to by its Veterinarian (at the discretion to the Society) at no charge to myself.
11. I will ensure that the animal is sterilised as stipulated by the Society and if not I understand that the animal will be repossessed by the Society immediately. I will sterilise the animal(s) by _____.
12. *No breeding is allowed. Males must be kept away from any females of the same species or be neutered. If a female should fall pregnant (the circumstances of which I shall immediately declare to the relevant SPCA) the off-spring becomes the property of the Society which will then be adopted according to SPCA Policy, of which I will have first right of refusal. **Initial:**
13. *All males adopted MUST be castrated (*As specified in the NSPCA Operations Manual*)
14. My property is adequately enclosed and that at no time shall I knowingly allow my animal to stray off the property.
15. I will notify the SPCA within forty-eight (48) hours should the animal die or go missing.
16. I know and understand the "By-laws" of the Municipality pertaining to farm animals and other animals in which I reside.
17. I will permit an authorised officer of the Society to visit my premises from time to time, to be assured that the animal/s is being treated in accordance with this Policy, and I will permit and allow the Society to repossess the animal, if in the Society's opinion, the terms of this policy are not reasonably adhered to. **Initial:**
