General Report Comments: I went on the 25th there was no one there so I left a warning for the owner to contact me. On the 26th I returned and was able to gain access to the property.. I observed 1 rabbit , pigeons in aviarys there is 8 of them. And he has 2 chickens that are roaming freely in the yard... the aviary are kept clean with adequate amounts of space... as well as enrichment in them for the birds , all the animals had access to fresh potable drinking water and feed... the rabbit also roams freely in the yard ...
In conclusion there is no welfare concerns at present .
