Report/Findings: Two dogs (young boerboels) were observed in a tennis court area and the other two were roaming freely. Owners showed us the workers (builders) and said they are scared of the dogs hence the dogs are closed up and once they knock off the dogs are free. Owners were advised about sterilisation and they agreed that they don't want puppies. No animal welfare concerns. At about 15:10 I called the complainant who thanked us for going out and will check if the dogs are let out in different times.

Action taken: (i.e. warning, education, seize, etc)
