Good day

I trust you are well.

I would like to remain anonymous please.

I'm not sure if you guys conduct welfare checks but there is a house in Clark Street Dawn Park unfortunately I don't know the house number but the house is yellow and grey and it's next door to a grey and red house on the corner of that street.

They have 3 dogs 1 male Great Dane and 2 females I'm not sure what breed they are but 1 looks like a boerboel they are caged during the day and let out at night and everytime they're let out the boerboel female fights with the other female throughout the night, the cries of the female dog that's being attacked are unbearable to hear I'm so ashamed that I'm only reaching out now as this has been happening every night last week, I'm really concerned over the well being of the dogs because while this is happening the owners do absolutely nothing to separate the dogs from each other.

Kind regards
