IN THE EX PARTE APPLICATION FOR THE ISSUE OF A WARRANT
IN TERMS OF SECTION 8(1) OF THE ANIMALS PROTECTION ACT 71 OF 1962

SUPPORTING AFFIDAVIT

I, the undersigned,

09/07/2025

Ralph Chivaviro

do hereby make oath and state that:

1. I am an adult male Inspector employed as such by the Boksburg Society for the Prevention of Cruelty to Animals at c/o Kruger and Railway Street, Boksburg East with contact telephone number (011) 916-5906. My certificate of authority for this district is attached marked "A".
2. The facts contained in this affidavit fall within my personal knowledge unless indicated otherwise or unless it appears so from the context. The facts are also, to the best of my knowledge and belief, both true and correct.
3. In terms of Section 3 of the Societies for the Prevention of Cruelty to Animals Act 169 of 1993, the SPCA's objects are *inter alia* to prevent the ill-treatment of animals by promoting their good treatment by man, to promote the interests of societies for the prevention of cruelty to animals and to make cognisance of the application of laws affecting animals and societies and to make representations in connection therewith to the appropriate authority. As part of the means by which it fulfils its objects, the NSPCA appoints inspectors in terms of section 6(1)(c) of that Act.
4. By virtue of my afore-stated position as an officer of the Boksburg SPCA and in giving effect to its objects, particularly to prevent the ill-treatment of animals, I may, where necessary, exercise the powers provided for in terms of section 8 read with section 5(1) of the Animals Protection Act 71 of 1962 pertaining to the search, seizure and destruction, where necessary of animals. I verily believe that it is necessary for me to make use of the powers provided for by the Animals Protection Act 71 of 1962 by virtue of the following circumstances.
5. On 28TH June 2025 I attended to a complaint about a dog that was tied on a rope without access to shelter food and water at 216 Retief Street in Boksburg South. The owners were not home at when I arrived at approximately 13H10. I was able to see the dog in question through an opening on the front yard wall. The dog, a Boer Boel puppy, male, tan in colour had a piece of broken rope tied around its neck indicating that it had been tied. There was a shelter against the

- front wall, but I could not see its conditions and access points clearly. No water provision was observed from my vantage point. I left a warning instructing the owner to contact me by 17h00 as the weather conditions were very low due to a cold front. I noted that shelter, adequate drinking water, a clean environment must be provided and that they should refrain from tying / chaining the dog. (Attached as A1)
6. On 29th June 2025 I returned to the property and found the owner, **Mr Ahmed** available. He took me to the back yard area where he had prepared a Wendy house as shelter with a blanket as bedding. Food and clean water had been provided. I advised him to have the dog vaccinated, and instructed him to ensure that the yard is clean, and to refrain from tying the dog as per the warning.
 7. On 7th July 2025, I received a disturbing complaint about the condition the yard was in. The complainant sent pictures and a video of the dog's shelter area. It was in a filthy state with torn blankets, faeces all around and a bucket with dirty drinking water. A notice to contact was left for the owner by **Officer Tshepo Sithole**. (Attached as A2)
 8. No contact was made and on 8th July 2025, I returned to the property with **Officer Tshepo Sithole**. I called the number **Mr Ahmed** had given me before, and the person that answered it responded to the name 'Ahmed' when I greeted him. As soon as I announced that I was an SPCA Inspector, he promptly said I had the wrong number and ended the call. I issued another warning instructing him to contact me by 09h00, on 9th July 2025 and to immediately clean the back yard area. (Attached as A3)
 9. No contact has been made with me and I suspect Mr Ahmed is intentionally avoiding and ignoring our efforts to communicate with him about the cruel conditions the puppy is enduring whilst in his care.
 10. The Boksburg SPCA requires authority to examine the conditions that the animals referred to on this property and have reason to believe that one or more offences listed in **Section 2(1)(a)(c)(e)(q) and (r)** of the Animals Protection Act No 71 of 1962 have been/are being/are likely to be committed. In addition, the Boksburg SPCA, if necessary, may exercise its powers in terms of section 5(1) of the Animals Protection Act No 71 of 1962.
 11. I therefore request a warrant in terms of Section 8(1) of the Animals Protection Act 71 of 1962 and Regulation 468 (where appropriate) to examine the conditions in which the aforesaid animal/s are kept in order to ascertain whether or not an offence in terms of Section 2 of the Act has been, is being or is likely to be committed.
 12. I request that such warrant authorize the following people to accompany me upon such examination.

(1) **Tshepo Sithole (SPCA Field Officer)**

Julani Manchidi (SPCA Field Officer)
Adriaan Fourie (Police No 4951027) (EMPD Inspector)

We require assistance from EMPD / SAPS during confiscations for the purpose of ensuring the safety of our staff. Experience shows that the Boksburg SPCA officials are often faced with aggression and violence during these operations and that such a Police presence is essential.

I know and understand the contents of this declaration.

I have no objection to taking the prescribed oath.

I consider the oath to be binding upon my conscience.
