To whom it may concern:

I, Dr Lesleigh Rous, of Cape Companions Veterinary clinic, Cape Town, did a nasal fold resection on Lovey, a 2 year old female Bulldog, belonging to Johan Le Roux on the 08/08/2023.

I hereby declare that Lovey is in good health and the nasal fold resection was performed for health reasons and not for cosmetic reasons.

I would also like to state that this breeder does not dock tails or ears. He has been a client of ours for over 3 years.

Should you require any further information on this case please contact me on 0607180157.
