**CONFIRMATION OF APPLICATION FOR A LICENCE IN TERMS OF THE PERFORMING ANIMALS
PROTECTION ACT (PAPA) (Act No. 4 of 2016)**

This letter hereby confirms that **Mr. Graham Daniels**, identity number: **7402135111087**, Director of **G.R.D Security**, with the business address at 13 Blomvlei Rd, Nerissa Estate, Western Cape, applied for a PAPA licence to use dogs for safeguarding. The application was received by this office on 8 October 2021 from the Department of Agriculture, Land Reform and Rural Development (DALRRD).

It was established during 29 November 2021 that no dogs are currently used by this applicant and, as there are no animals to inspect, a PAPA licence cannot be issued. A documentary audit was however conducted when the required documents, as discussed during a meeting on 29 November 2021 with the G.R.D Security director and operations manager, Mr. Graham Daniels, I hereby confirm that this applicant demonstrated that they are able and willing to comply with the basic animal care requirements in terms of the PAPA. The implementation thereof can be confirmed, as soon as any dogs are placed on request of a security service client, by means of a licensing inspection and a licence can be issued within a short period to ensure timeous commencement of such service.

If no dogs are placed by the end of **29 November 2022** the applicant should apply at DALRRD for a PAPA licence for the next PAPA licence period, as this letter will be valid for 1 year only.
