PATIENT:

Name: Hurricane
Breed: Rottweiler
Age: ± 3yo
Weight: 38kg on 24/04/23

27/07/23 He picked up weight (5 kg) but still
43kg too thin. Feed puppy food. Chup in
3 weeks

21/08/23 Looking much better. Too aggressive
to even get him out of the car to
examine. His condition has improved.
Continue feeding puppy food.
He is a very reactive dog: to feed
puppy food as his requirements higher than
average dog.
