Good day Dr Anthony,

Thank you for your swift response.

I have attached the final report for ease of reference.

The prosecutor is questioning the below:

The owner has been charged with neglect and denial of veterinary treatment, for the prosecutor to fully state their case they would like an estimate of:

1. How long does it take for the dog to go from healthy dog to such a severe condition;
2. How long did the dog likely suffer from this condition before the dog died ?

I hope this clarifies and that you will be able to assist in this matter.

Kind regards,

Carina Bodenstein
